Chiavazza, con la sua ampia offerta di lussuosi cardati, completa ed arricchisce la proposta di Zegna Baruffa Lane Borgosesia. Specializzata nella filatura del cashmere - puro o in mischia - offre uno stock service di 60 colori nel Cashmere 2/28.

La scelta innovativa e pionieristica di Chiavazza di produrre cashmere in Italia nei primi anni '60, impostando l'intero ciclo produttivo negli stabilimenti di Vigliano, è nata nel rispetto di un credo qualitativo ed etico che da sempre caratterizza il Gruppo Zegna Baruffa Lane Borgosesia.

Lotti rigorosamente selezionati di finissima materia prima, ricavata dal sottovello della Capra Hircus, vengono convogliati nella lavorazione e trasformati - mediante metodologie uniche e abilità tecniche che determinano l'esclusività della "ricetta" - in un filato di altissima qualità, dalla mano straordinariamente morbida e dalla leggerezza incomparabile.

Chiavazza, with its large range of luxury woollen spun yarns, completes and enriches Zegna Baruffa Lane Borgosesia's offer. Specialized in cashmere spinning - pure or blended - they present for Cashmere 2/28 a 60 colour stock service.

The Chiavazza's innovative and pioneering choice to produce cashmere in Italy starting in the early 60's, setting the entire production cycle within the Vigliano plant, was made sticking to the company's quality and ethical credo, which has always typified the Zegna Baruffa Lane Borgosesia Group.

The finest, rigorously selected fibre lots from the Hircus Goat underfleece are routed into the production cycle and transformed - through unique methodologies and technical skills which are the company's "proprietary formula" - in a yarn of extreme quality, extraordinarily soft touch and incomparable lightness.
